For 2016, the City of Wichita will continue to provide a comprehensive wellness program to employees. The City is moving into a tiered incentive structure. Employees have the opportunity to earn their incentive based on the 2016 tiered incentive structure. To receive payment of the reward in 2016, you must be an active employee enrolled in health insurance.

**Reminder:** Employees have **60** days from a related qualified life event to make changes to their enrollment. The change must be in writing.
